

## Seerah Gathering

Assalam Alaikum Wa Rahmatullah Wa Barakatu

In the name of Allah, Most Compassionate, Most Merciful

**Allah (subhanahu wa ta'ala) says, "Verily Allah and His angels shower blessings on the Prophet (sal Allahu `alayhi wa sallam). O, Believers! Send blessings upon him and salute him with a worthy salutation." (33:56)**

**Anas (May Allah be pleased with him) said that a man came to the Prophet (May the peace and blessings of Allah be upon him) and asked, "When will the Last Hour come, Messenger of Allah?" He said, "What have you prepared for it?" He said, "I have not prepared a lot of prayer or fasting or charity for it, but I love Allah and His Messenger."**

For hundreds of years, the Ummah has gathered to narrate the beautiful seerah (biography) of the Prophet Muhammad (May the peace and blessings of Allah be upon him) with an aim to cultivate our relationship with the beloved of Allah.

To maintain this tradition you and your family are cordially invited to join us on this extra ordinary journey into the life of the Prophet Muhammad (may the peace and blessings of Allah be upon him). The monthly seerah gathering (which will be held on the third Friday of each month) aims to provide a unique insight into the miracle of his birth, the legacy of his life, and the station of perfection that he alone occupies in this world and the next (may the peace and blessings of Allah be upon him).

We endeavour to ennoble ourselves through the recitation of the Glorious Book of Allah, Prophetic invocations, narrations from the Prophetic biography, the recitation of the Qasidah Burdah (Poem of the Cloak) and other poems. The gathering will focus upon a classical text of Seerah to illuminate our hearts to the best of creation. We look forward to your presence with our scholars and friends in a night filled with inspiration and continuous praise.
